

Privacy Policy DBK Glass s.r.o.

We make every effort to conduct our business in a fair and responsible manner. Our commitment is to be transparent and open. Our Privacy Policy explains the processing of your personal data by us and establishes what information we collect, or which is provided to us, and how we use and protect your personal data in compliance with applicable law.

Personal data

Privacy policy means for us information that you identifies - such as your name or e-mail address.

If we storage your personal data together with impersonal data, we consider this combination as a personal data. All data about you are used solely to make the best for your orders or ensure the provision of our services.

Data collection

We collect your personal data:

- if you provide them with us (business cards, phone number and e-mail address, business correspondence, personal meeting)
- automatically through our products and services as part of our business activities

We strive to collect no more personal data from you than is required by the purpose for which we collect it and you gave us permission. Generally we use your personal data to help us to offer you and improve for you our products and services.

Storage, retention, and protection of your personal data

We have committed to protect your personal data after obtaining them. We undertake all necessary physical, commercial and technical actions to ensure the security of your personal data. In the unlikely event of a breach in the security of personal data, we will notify you to make a correction.

We will not keep your personal data in a form that allows you to be identified for longer than reasonably necessary with regards to the purpose for which the information was collected.

We will only keep your personal data for additional periods following the expiration of the purpose for which we collected it when permitted as compatible for our legitimate interests or required by law. Otherwise, your personal data will be deleted from our system.

Updates to our Privacy Policy could occur from time to time and we will publish these changes on our website. If you use the product or services after the effective date of such changes, this will mean agreement to such changes. To have an better overview of the changes we will put the effective date at the top of the page.

Contact

In the unlikely event of a disagreement or complaint about the way that your personal data is handled, please contact us. You can always reach us by below mentioned e-mail:
